

We believe in fast and accurate results

About Us

- Established in 1979 by Dr. Ulhas Vaidya, a renowned pathologist from Thane.
- Thane's first accredited Lab by NABL for Quality standards.
- State of the art technology using fully automated analyzers spread over the area of 4500 sq.ft.
- 24x7 lab services with fully qualified, experienced staff.
- Understands the diagnostic need of healthcare Industry.
- Participates in various EQAS program & proficiency testing programs which guarantees accuracy & reliability of laboratory results.
- Daily lab quality control protocols enables pathologist test precision about reproducibility of test results generated by the lab.
- Laboratory retains reported samples for suitable duration as per the accreditation criteria
- Aspires to cater to the various needs of diagnostic services across the country.
- Highly authentic reports that are signed by trained pathologists.
- Reliability of test reports is authorized by a team of highly trained, experienced, and qualified pathologists.
- Efficient Lab network across all major cities.
- One stop station for all pathological needs.

Strengths

Quality

- State of the art technology for world class quality.
- Fully automated analyzers for error free results.

Speed

- Minimum TAT with maximum test accuracy.
- Fastest query resolution and sample transit.

Focus

- Undiluted focus for accurate and precise test results.
- To provide world class & efficient laboratory services.

System

- Complete IT driven operations.

Accreditations

NABL(National Accreditation Board for testing and calibration Laboratories) in 2005.

Credentials

Highly rated by CRISIL
(Credit Rating Information Services of India Limited):-

Technologies

- CLIA • ELISA • HPLC • PHOTOMETRY
- IMMUNOFLUORESCENCE • BIOCHEMISTRY
- MICROBIOLOGY • CYTOLOGY • TB LAB

Our Specialties

- Special set up for TB diagnosis
- Hormonal Assays
- Cancer Markers
- Automated microbiology & sensitivity
- Automated Blood & TB culture
- GENE XPERT for MDR detection -
Refampicin drug resistance
- Line probe Assays for MDR –
Refampicin & INH resistance.
- Allergy screening tests
- Histology
- Cytology
- PAP smear
- Various preventive care profiles
 - A) Health is Wealth Profile - Annual Health check up's
 - B) Shataayushi profile - For Diabetic Patient

Instruments

- Beckman Coulter AU 480 (Fully automated Biochemistry Wet)
- Vitros 250 (Fully automated Biochemistry Dry)
- Cobas B121 (Fully automated Blood Gas Analyser)
- Sensacor (Fully automated Electrolytes Analyser)
- Beckman Coulter Access 2 (Fully automated CLIA analyser)
- Centaur XP(Fully automated CLIA analyser)
- Centaur CP(Fully automated CLIA analyser)
- Beckman Coulter LH 750 (Fully automated haematology analyser 7 Part)
- Nihon Kohden (Fully automated Haematology 5 Part)
- Roller 20 (Fully automated ESR)
- Vitek 2 (Fully automated Microbiology Culture/Sensitive)
- Genexpert (Fully automated MTTB Detection Special Tuberculosis)
- Bactec 3D alert (Fully automated Blood culture)
- Phadia 100 (Fully Automated Allergy detection)
- Diagnostic Stago (Fully automated coagulometer)
- Biored D10 (Fully automated HPLC analyser)- HbA1C
- Cobas U411 (Fully automated Urine analyser)
- MGIT

Dr. Ulhas Vaidya & his team

Main Lab : Ground Floor, Shree Satyam Co. Op. Premises,
Next to PNB, M. G. Road Naupada, Thane (w) 400 602. Tel : 022-61513200 / 9820201180
Website : www.millenniumlab.co.in email : info@millenniumlab.co.in

Processing Unit : Odyssey Park, Office No.: 201, Plot No.: A-123, A-124 & A-299,
Road No.:9, Wagle Industrial Estate, Raghunath Nagar, M.I.D.C, Thane (w) 400 604.
